

Keeping Your HR Department Happy And Saving Money Just Got A Whole Lot Easier...

Greetings From AGH . . .

Would you like to not only save money, but also manage your payroll without the use of paper? If the answer is "yes," we offer payroll processing that just takes minutes right on your own computer.

With our *Paperless Payroll* option, you are able to process payroll on your own time and help the environment by reducing the amount of paper our country consumes. It is a great alternative no matter how you look at it.

You Can Save Money And The Environment.

A business with 40 employees, using our *Paperless Payroll* option, will not only see thousands of dollars in savings in actual payroll costs but will also:

- Reduce greenhouse gas emissions by almost 500 - 600 pounds annually.
- Reduce energy use in all phases of paper and payroll production.
- Save employees time and money while helping the environment.
- Lessen landfill usage.
